DO No.02:10:R-APDRP:2015:Utilities/ 33348

20 OCT 2015

Dear Sh. Kumar

You may kindly recall that in the 9th Review, Planning and Monitoring (RPM) Meetings of Ministry of Power, chaired by the Secretary (Power), held on 12.10.2015, it was decided to cancel sanction of Part-B projects under R-APDRP that could not be awarded till date by concerned Utilities/States. RMU & Sectionaliser works under Part-B in 2 SCADA towns of TSPDCL AND TSNPDCL are yet to be awarded in your State, despite being sanctioned in March, 2013. Accordingly, I would suggest you to kindly review progress of award of above Part-B projects and intimate us within two weeks, positively, indicating a realistic timeline for award of these projects within next two months followed by expeditious implementation so that we may suitably put up the proposal to the Ministry of Power. Since these projects were sanctioned more than two years back, and the scheme also stands subsumed in IPDS, PFC would be constrained to recommend cancellation, if we don't hear from your side latest by 2nd November, 2015.

You may be aware that IPDS guideline prohibits any new sanction/ enhancement/ cost escalation under R-APDRP Part-B and also cancelled or partially cancelled of already sanctioned projects under any Govt scheme including R-APDRP without exhausting sanction value shall not be covered under IPDS.

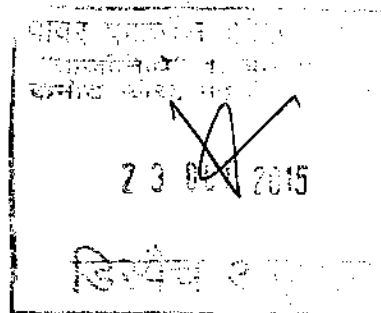

The IPDS (R-APDRP subsumed) programme is being monitored at the highest level in Government of India and, therefore, your personal attention and early reply in this regard, is solicited please.

With regards

Your's Sincerely,
