Subject: Compliance to decisions of IPDS Monitoring Committee and IPDS Guidelines

Dear Sir,

As you are aware projects worth Rs. 23,432 Cr for 3406 towns have already been sanctioned under Integrated Power Development Scheme (IPDS) for works related to Sub-Transmission & Distribution, Metering, Solar Rooftop and Net Metering for Government Buildings.

The following approvals have been accorded by the 7th Monitoring Committee meeting of IPDS held on 28.04.2016:

- The Utilities which were approved implementation of IPDS on turnkey basis and have decided to procure their key materials through centralised procurement shall now implement the projects on Partial Turnkey implementation mode. The key materials under centralised procurement shall be issued on free of cost basis to partial turnkey/erection agency from Utility's store.
- Standard Bidding Documents for partial turnkey contracts (available on our Web-portal www.ipds.co.in) may be customized by the utilities as per specific needs with prior approval of State Level Distribution Reforms Committee (DRC) keeping in view the principles of transparency, financial proprietary, fair competition etc.

It may be ensured that the final sanctioned projects are also put up to State Level Distribution Reforms Committee (DRC). RfP for implementation of IPDS may also be expedited at the earliest to complete the project within stipulated timeline.

IPDS being a priority programme of the GoI, a concerted effort by all the stakeholders can make the scheme a grand success.

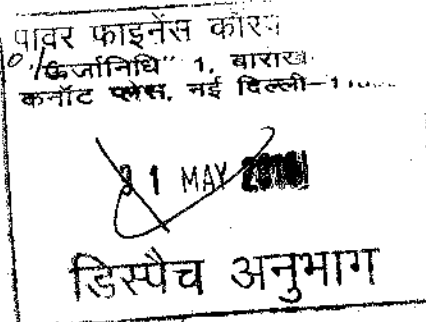

Thanking you

Yours faithfully,

(Subir Saha)
GM (IPDS)
