Dear Sir,

The Parliamentary Standing Committee on Energy in its meeting held on 19.10.2015 while examining on the subject ‘Measures to check commercial losses’, advised to carry out a study of 10 best DISCOMs where AT&C losses have reduced in last five years.

Your Utility is among the 10 DISCOMs which has consistently reduced AT&C losses in last five years and has been considered for the study.

In order to carry out the study, a team of PFC Officers will shortly be visiting your Utility for discussion on various measures adopted by your utility including technical, administrative & financial for bringing down the losses and improvement in the health of your utility.

The study of best practices of 10 Discoms would be shared for the benefit of all other Utilities. We look forward to your kind co-operation for facilitating in completing the aforesaid study within one month.

With regards,

Your’s Sincerely,

(Radhika Jha)
