Sub: Training of Utility personnel under IPDS

Dear Sir,

As you are aware Integrated Power Development Scheme (IPDS) is a priority program of Govt. of India for the Urban Power distribution sector. Capacity Building of Distribution Utility personnel at various levels has been identified as an essential component of this scheme with a focus on enhancing skills of utility personnel for quicker implementation of the scheme.

Towards this objective, "One day IPDS Impact Programme" for A&B level personnel and "One day IPDS Impact Programme" for C&D level personnel of Utilities has been planned at Utility HQ. The modules of the program include sessions by PFC team on (i) IPDS overview, (ii) Issues in implementation of IPDS Projects, (iii) IT system in Distribution including smart metering/SCADA, (iv) Project Monitoring, (v) New initiatives under IPDS and (vi) Digital payments.

For successful conduct of this programme in your utility, I would request you to identify and nominate around 50-60 personnel for each programme, Preferably from employees deployed in field areas. We plan to organize this programme in your utility in the month of February 2019. In case of any alternate preference of date, you may kindly specify the same. You are also requested to provide logistic support for conducting the programme at the Utility HQ.

Regards,

Yours sincerely,

(Palka Sahni)
ED (IPDS)
