As you are aware that Ministry of Finance, Govt. of India has made it mandatory for releases of funds under all Central sector schemes through Public Financial Management System (PFMS) as a single platform for payment, accounting & reconciliation of govt. transactions by integrating various existing standalone systems.

2. The moot point behind these directives is to ensure an end to end accountal of the fund transfers and their utilization thereof. As of now, Ministry of Power / Power Finance Corporation (PFC) has already made using PFMS upto Utility level. In order to bring more transparency, flow of funds should be right up to the vendor/contractor level under PFMS platform.

3. I would request you to bring all vendor/contractors under PFMS portal under intimation to this ministry.

Regards,

Yours sincerely,

Shri Dheeraj Gupta
Commissioner-Cum-Secretary (Power)
Govt. of Jammu & Kashmir
Civil Secretariat, Jammu/Srinagar.
