Sub.: Workshop on IPDS implementation for North-Eastern States at Guwahati on 27th July, 2018

Sir,

As you are aware that IPDS is a priority programme of Govt. of India and the projects under IPDS are envisaged to be completed in a time bound manner within a period of 30 months from sanction. Moreover timely implementation of IT Phase-II project & ERP system under IPDS are important to meet objectives of improved customer services to all urban consumers.

Therefore in order to discuss progress of IPDS implementation in North Eastern Region, IPDS project monitoring, Capacity Building proposal for NER, early award of IT Phase-II & ERP projects and closure of RAPDRP projects, a workshop for senior level officers engaged in the implementation and monitoring of IPDS is proposed at Guwahati on 27th July 2018 as per the schedule enclosed. The exact venue shall be communicated soon.

We have requested ERP Experts to take part in the workshop for facilitating Utilities of NER in preparation of ERP DPR and for discussion/resolution of issues related to ERP system. We have also requested TPCEA and TPIEA-IT officials to take part in the workshop for discussion/resolution of issues on evaluation process.

It is requested to kindly depute concerned senior level officers and/or nodal officers working in relevant areas, PMA, ITC and ITIA for the workshop.

Thanking you,

Yours faithfully,

(Subir Saha)
ED (IPDS)
