Meeting Notice

Sub: Workshop cum review meeting on implementation of IT Phase-II projects under IPDS

Madam/Sir

As you are aware, in order to extend the benefits of IT enablement to smaller towns, IT Phase-II projects for 1931 towns were sanctioned under IPDS. All these sanctioned IT Phase-II projects were planned for uploading of all urban feeder data on NPP within 9 months from award and further project completion and verification by third party (TPCEA) within 24 months from date of award. However, it is observed that progress of implementation of IT Phase-II projects is not satisfactory in most of the States/Utilities.

With a view to facilitate implementation of IT Phase-II projects, an experience sharing workshop cum review meeting is proposed to be held on 17th May, 2019 from 10:00 AM at PFC Office, New Delhi. During the programme, Utilities where IT Phase-II projects have already been awarded shall share about their experiences in finalizing technical specification, awarding of works and implementation plan.

In view of the above, you are requested to depute concerned Nodal Officers for IT Phase-II projects of your utility to participate in the said workshop cum review meeting.
