Thiruvananthapuram
Dear Shri Singh,

You are aware that adequate system strengthening of Sub-Transmission & Distribution network and timely implementation of IT & ERP systems are important to meet objectives of reliable and quality power supply & improved services to consumers.

2. System strengthening work in urban towns under IPDS is to be completed by March, 2019. It is observed that current physical progress in Manipur is 33% and to complete the balance work within schedule, you are requested to achieve physical progress of at least 7.5% per month as against the current average monthly progress of 2.2%.

3. IT Phase-II DPR under IPDS was sanctioned to Manipur in January, 2018, however, RfP for the same is yet to be issued. Moreover, ERP DPR is still awaited. You are requested to expedite award of IT Phase-II and submit ERP DPR for ensuring better consumer services to the Manipur.

4. We look forward for your cooperation in achieving the timely completion of the projects.

Yours sincerely,

(Arun Kumar Verma)

Sh. M. Lakshmikumar Singh, IAS

Dear Sh. N.T. Bhutia,

You are aware that adequate system strengthening of Sub-Transmission & Distribution network and timely implementation of IT & ERP systems are important to meet objectives of reliable and quality power supply & improved services to consumers.

2. System strengthening work in urban towns under IPDS is to be completed by March, 2019. It is observed that no physical progress in Sikkim has been reported so far and to complete the work within schedule, it is requested to achieve physical progress of at least 11% per month.

3. We look forward for your cooperation in achieving the timely completion of the projects.

Yours sincerely,

(Arun Kumar Verma)
