

Amendment to the 'Additional Guidelines for Technical Bid evaluation in appointment of IT Implementing Agencies by Utilities approved in the XV Steering Committee dated 09.12.2009'

In accordance with the decision of XIX Steering Committee held on 02.06.2010; the clause excluding bidders which have been awarded five contracts (for states/state groups) across the country stands relaxed for North Eastern States.

This is appended to the clause 3 as given in the 'Additional Guidelines for Technical Bid evaluation in appointment of IT Implementing Agencies by Utilities approved in the XV Steering Committee dated 09.12.2009'
