

There is one amendment in the Technical Specification for System & HT Consumer Meters. It is requested to replace the following text given under para 23 "GUARANTEE" page-8 of above document:

Equipment (Meter) supplied shall be guaranteed for a period of 66 months from the date of supply or 60 months from the date of installation, whichever ends later. Bidders shall guarantee to repair or replace the meters and meter boxes (if supplied), which are found to be defective/ inoperative at the time of installation, or become inoperative/ defective during guarantee period. Replacements shall be effected within 1 month from the date of intimation. The bidder shall extend the guarantee of 5 years. However the backup bank guarantee provided by the bidders shall be valid for 2 years only.

WITH

Equipment (Meter) supplied shall be guaranteed for a period of 66 months from the date of supply or 60 months from the date of installation, whichever ends earlier. Bidders shall guarantee to repair or replace the meters and meter boxes (if supplied), which are found to be defective/ inoperative at the time of installation, or become inoperative/ defective during guarantee period. Replacements shall be effected within 1 month from the date of intimation. The bidder shall extend the above guarantee period by the duration for which such meter(s) was/were not available for service. However the backup bank guarantee provided by the bidders shall be valid for 2 years only.
